ABOUT..

Pretty Afrika Designs is a fashion design house run by a mother/daughter team, Madam Theresa Obeng Sam and Sandra Aya. Madam T is originally from Ghana, West Africa and she gains much of her inspiration from her homeland. A self-taught seamstress, Madam T designs unique handbags, home accessories and clothing. Sandra Aya, an intellectual property attorney, uses her creative side to make original pieces of jewelry, accessories and clothing. All of their items are made to be conversation pieces. They are one-of-a-kind and may also be available as limited edition.
